

Furry Friends™ Birthday Fun T-8311

★ Featured Display: The Birthday Bunch!

Make classroom birthdays a group celebration that also reinforces months and dates. Designate a space for your "Birthday Bunch" display and decorate with Furry Friends™, Ready Letters®, Terrific Trimmers®, and the appropriate month header. Each month, feature birthday children's photos and birthdates on balloon accents as shown. Add string or yarn to create a balloon bunch that's held by one of the Furry Friends™. At the start of each day, ask students if there are any birthdays that day. It's a fun way help children make connections between calendars and written dates... and celebrate birthdays!
